## P/N 90C/111

Modular integral industrial pump s. 900, R 11:1 - 30 l/min, with PU seals

### AREAS OF USE

Aeronautics, Agriculture, Automotive, Building and road construction, Lube trucks and transports, Shipping and offshore, Railway transport

### FEATURES

|                            |                                       |
|----------------------------|---------------------------------------|
| Flow rate                  | 30 l/min                              |
| Ratio                      | 11:1                                  |
| Compatible fluids          | oils, lubricants and similar products |
| Suction tube upper body    | aluminum                              |
| Suction tube               | carbon steel                          |
| Air inlet connection       | G 1/2" (f)                            |
| Fluid outlet connection    | G 3/4" (f)                            |
| Max supply pressure        | 8 bar                                 |
| Max air consumption 8 bar  | 1,7 m3/min                            |
| Noise level                | 80 dB                                 |
| Suitable for drums or tank | modular                               |
| Packing                    | No. 1 - 0,040 m3                      |
| Weight                     | 11 kg                                 |

### OVERALL DIMENSIONS (mm)
